Certificate Course in Basic English Grammar.

Academic Year - 2020-21

Introduction

Certificate Course in Basic English Grammar is a basic course to learn basic English grammar for the students, who passed their 12th standard exam in a vernacular language mode. English is a form based language, where it is necessary to learn structure, construction of sentences and words.

Word order in a meaningful sentence to make it complete and meaningful is essential in English. Every word has a fixed place in a sentence, creating a complete and meaningful sentence is the first stage in acquisition of English language. The certificate course in Basic English Grammar will help the students to bridge the gap, before entering into the English as a medium of instruction from vernacular language.
