Report of the facilities provided by the institution.

The college is continuously taking initiatives for providing the facilities. For the alternate source of energy and energy conservation measure a solar panel was installed on the college roof having capacity 3 KW. Proper care has been taken in maintenance of the campus clean. For that Gram Panchayat, Kotgyal requested for the disposal of solid waste. For water conservation, rain water harvesting is done at two places where rain water is collected for the conservation during monsoon at the roof. Facilities for the disabled like provision of ramp and wheel chair are provided.
