## Event Report

On behalf of the Geography Department, a geographical tour was organized on 10/02/2026 at 10 am from Gramin Mahavidyalaya Vasantnagar to Kundrala Lake. 10 students are participated in this tour. This tour reached Kundrala Lake via Vasantnagar, Mukhed, Taibai Tada amd Sugaon Camp.

Kundrala Camp is situated in Mukhed taluka and is 14 km away from Mukhed. This lake has been constructed in a mountainous area on the outskirts of Balaghat in Mukhed taluka. There are small and large projects in Mukhed taluka, out of which is Kundrala is one of the project. This dam is blocked on the Manghol River and the height of said dam is **18.5** and the length is **999**. The water capacity of this dam is **10.41** million cubic meters. The maximum water storage of this reservoir is **10.71** million cubic meters. Due to this project, a total of **1307** hectares of land is under irrigation, while the perennial irrigation area is **1339** hectares, while **718** hectares are irrigated during the seasonal period. Due to this project, the irrigation and water storage in the Sugaon area has increased.

### Geographical position

Kundrala camp is a one of the village situated 17 km. from Mukhed. Considering the location of Kundarala camp is determined as under,

The Mukhed Taluka is Nanded District and is a small city located on the banks of Mohanawati River. The foothills of Balaghat spread across the Mukhed taluka therefore this taluka is known as hill region. The location and extent of the main taluka is as follows. 18° to 22, north latitude longitude extension is between 77.06, east to 77.34 east longitude.

The boundary of Mukhed taluka is extended to the west by Latur district. To the east Degalur taluka, To the south Bidar district of Karnataka and To the north Kandahar.

### **Purpose of Trip**

It is appropriate to study what is the exact purpose of the geographical educational trip. The book knowledge we get is indirect and such education is insufficient. The complexity in the minds of the students can be removed through the trip. The purpose of the trip is as follows.

- 1] To study by visiting actual places of spot.
- 2] To verify the truth of indirect knowledge
- 3] To increase the interest of studies through a playful environment

### **Outcomes of Geographical Tours**

- 1] Academic enrichment students to gain a better, deeper understanding of physical, environmental, and human geography.
- 2] Improves observation, data collection, mapping, and analytical skills.
