Subject: Invitation as Guest Speaker.

Dear Sir,

Greetings from Department of Chemistry ..!

It gives us immense pleasure to invite you as a Guest Speaker to deliver a lecture on "Emerging Paradigms in Natural Products-Based Drug Delivery" organized by the Department of Chemistry this college on 13.08.2025 at 11.00 am in the Late Govindrao Rathod Auditorium of the college.

Your distinguished academic career, extensive research contributions, and expertise in the field of Chemistry and Drug delivery will enlighten our students as an MoU activity.

We are grateful if you could kindly confirm your availability for this session. We look forward to your positive response and gracious presence for the event.

Thanking you

Report of Guest Lecture and Inauguration of Chemistry Club

Today, diseases are increasing day by day in society. Many health issues are arising. It has become impossible to live without medicine. Our ancestors were aware of health. They used to tell us what to eat, what not to eat, and not to get addicted. Now, machines have advanced so much that they can even understand what is going on in your head. The most important thing in our lives is health. Today, the treatment we are taking has side effects. Today, any medicine is first tested on animals and then on humans in some stages and then it is approved. We have had various revolutions, and today we have come to the 5.0 industrial revolution. There are some expectations from this, which we will have to fulfill. Today, it has become easier to diagnose diseases with the help of software. Can spread diseases. Surrounding The result of the situation is yours. It depends on the mentality. This Technology has spoken. Medicines with the help of technology can be studied. You are yours at least ten values in life. We must live with it. In fact, our body is a chemical factory. This is stated by Omprakash Bhusanure at (arts, commerce and Science) College, Vasantnagar Tq. Mukhed. Circle Inauguration and Guest Lecture Speaking as a keynote speaker on the occasion made. During the presidential closing College Principal Dr. Haridas Rathod said that today is the International Organ day. Then organs considering the importance of donation about organ donation the misunderstanding was cleared up wanted. Fear removed from the mind. Program introduction was given by Head of Chemistry Department Prof. Aruna Itkapalle. The program was organized by Chemistry department. The Principal, Teaching staff, student and large number of participants were presents.
