4. Quality Indicator Framework(QIF)

Criterion 1 - Curricular Aspects

1.1 Curricular Planning and Implementation

1.1.1 The Institution ensures effective curriculum planning and delivery through a well-planned and documented process including Academic calendar and conduct of continuous internal Assessment

Response:

Effective and successful curriculum delivery is the soul of institutional activity, in order to take care, college has a planning committee. Effective planning is necessary for effective delivery. In consultation with IQAC, the planning committee prepares Academic Plan for every Academic year, covering almost all curricular, co-curricular and extra-curricular activities of the college. Immediately after the publication of affiliating University Academic Calendar, Principal calls meeting of the Planning Committee for preparation of tentative Academic Calendar of the College. The tentative calendar is finalized by the Planning Committee and supplied to all the departments and committees and asks to prepare their individual department and committee calendars within a week. Every department and committee head prepares their calendars in accordance with the tentative calendar provided by the Planning Committee, by organizing departmental and committee meetings.

After receiving Academic Calendars of all the departments and committees the Planning Committee and Coordinator IQAC observes the calendars department and committee wise. In different rounds of meetings and discussion with the Principal the Academic Calendars of all the departments were finalized, the concerned heads of departments and committees were invited in the meeting, if there is any need to make changes. The Planning Committee prepares month wise College Calendar according to the individual and committee calendars. The month wise calendars were kept in the custody of Principal for effective implementation and cross checking of all the curricular, co-curricular and extra-curricular activities of all the departments and committees. Simultaneously the Time Table Committee prepares Master Time Table based on the individual and department time tables. The time tables of all the programmes and courses is communicated to the students by display on the notice board.

All the programme and course curriculum were designed by the affiliating University. In the last four years college has introduced some Add on Courses, which are helping to enrich the curriculum. The teacher communicates course outcomes to the students in the very first class along with the syllabus, paper pattern and weightage details of the course.

The Planning Committee, IQAC and the Principal regularly review teaching-learning process, the co-curricular and extra-curricular activities and its adherence to the Annual Plan. Review for syllabus completion is taken by the Heads of the Department and Principal periodically. The Feedback Committee collects feedback on the overall functioning of the institution. The Academic and Administrative Audit of the institution are done after every three years by the affiliating University.

The problems encountered during planning and implementation of the effective curriculum delivery in the current year were considered, while making plan of the next academic year.

IQAC conducts a meeting in the beginning of every academic year to verify the syllabus of each subject in

the college.

IQAC has the system of online monitoring with departments.

Response:

Integrating Crosscutting Issues into Curriculum

The institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the curriculum, through the syllabi designed by the University and through co-curricular and extra-curricular activities.

1. Professional Ethics :

It is the part of curriculum as it is directly or indirectly taught in the classroom as a part of syllabi prescribed by the university. The Career and Counseling Cell organizes events to imbibe this value among students.

2. Gender :

The gender issues are also integrated through the curricular, co-curricular and extra-curricular activities. It is the part of number of courses taught in languages and social science stream. In addition to the syllabi, it is also dealt with the activities of Women Empowerment Cell and Anti Ragging-Anti Sexual Harassment Committee.

3. Human Values :

Human values are taught in the classroom, as the human values are direct or indirect part of the courses taught in Arts and Social Sciences courses for B. A., B. Com. and B. Sc. Students. The events organized by Cultural Committee, N.S.S. and departmental co-curricular activities also deal with the human values.

4. Environment :

A special paper of Environmental Study is taught to all the students of U. G. final year as a compulsory paper of fifty marks to all the final year students across the stream. The syllabus includes field work and project work. Every U. G. student has to complete this project work to pass final year examination. This course helps to develop environmental awareness amongst the students.

5. Sustainability :

Sustainability is the part of syllabus of the course in Environmental Studies and in Geography courses. In the Academic year 2020-21, the college has organized International Conference on Sustainability.

The Department of Botany, Geography arranges tours, excursions and visits to integrate this issue in the curriculum. The Botanical Garden also helps to deal with these two issues. The Birth and Death Anniversaries of great leaders, celebrated in the college also integrates the crosscutting issues like Gender, Profession Ethics, Human Values, Environment and Sustainability.

The Add on course designed by the departments in the college also integrates the crosscutting issues.

After implementation of CBCS pattern by the affiliating university the internal assessment of students were given a high weightage. In languages and social sciences in every semester weightage given for a course is

three credits and out of the three credits one credit is for internal assessment. In commerce stream one credit and in science stream ten marks per course.

The Examination Cell in the college plays a vital role to carryout internal assessment in transparent way. The Academic Calendar of the college is inclusive of the schedule for internal assessment. The tentative dates of internal exams, seminars and assignments are communicated to the students through the notices displayed on the boards. The Examination Cell in its meetings prepares plan, schedule and time table for internal assessment.

The records of internal assessment course wise including the answer sheets, assignments and seminar records are preserved by the departments for the period of three years.

Teachers communicate the exam pattern and weightage to the students in the very first class, to bring awareness about the evaluation system. The students, who are not able to appear in the internal exams at the scheduled time due valid reasons, are given opportunity to reappear in the unit tests. All the records of internal assessment were used to upload final marks on the university portal as per the schedule. If asked the final score is justified by the concerned teacher either to the Principal or the student. Assessment of students for Continuous Internal Evaluation is undertaken as per the university guidelines, schedule given by the Examination Cell in a transparent, ethical and honest manner. The students are also assessed for practical courses as per the university guidelines. The practical record books and project work records are preserved in the department after assessment and the records asked by the university were submitted to the university examination department. The external examiners were invited and appointed as per the university rules. The Examination Cell and Principal ensure prevention of malpractices in all the examinations. The invigilators, local vigilance committee are appointed wherever necessary. The entire college is under CCTV surveillance.

The other type of assessment tools are used like viva-voce examination of students in project work, especially in Skill Enhancement Course, home assignments, group discussion are the other methods of internal evaluation.

The internal assessment mechanism of the college is as per the university rules in a transparent and robust manner.

1. Weightage is allotted for attendance, holistic behavior, sincerity and participation of students in co-curricular and extra-curricular activities.
2. Doubt clearing sessions in and outside the class room are organized.
3. Question papers are set in uniform way according to the rules and procedures of the university and college.
4. At least two unit tests are taken in every semester for each course.
5. In some courses home assignment of student, seminar method is also used for evaluation.
6. The record of internal assessment is maintained for the period of three years.

Criterion 6 - Governance, Leadership and Management

6.1 Institutional Vision and Leadership

6.1.1 The governance and leadership is in accordance with vision and mission of the institution and it is visible in various institutional practices such as decentralization and participation in the institutional governance

Response:

Gramin Arts, Commerce and Science Mahavidyalaya Vasantnagar is established in 1991, by the parent organization Vimukta Jati Seva Samitee, Vasantnagar.

Vision and mission of the college.

The college is established to provide education to the socio-economically backward students belonging to S.C., ST, OBC, and VJNT categories, to make them efficient citizens of a secular democratic state. The vision and mission statement of the college is as below.

To create awareness and provide facility of Skill based Higher Education in the geographical vicinity of the college and to imbibe Human Values among students.

? To organize more Village Campaigning (Gram Abhiyan) and parent meets.

? To strengthen the implementation of Student Adoption Scheme (Vidyarthi Dattak Yojana).

? To organize lecture series.

? To organize health awareness and Health Check-up Camps.

? To take more efforts for Women Empowerment.

Keeping in mind the goal, vision and mission statement of the institution, we provide opportunities of education to the socio-economically backward community students living in the rural area. Almost all the students enrolled in the college are from socio-economically weaker sections. All the activities of the college are in tune with the name of the parent organization '*Vimukta Jati Seva Samitee*'.

Nature of Governance :

The nature of governance in the college is democratic, decentralized and participative. The college Development committee is at the top in all the decision making.

The IQAC also plays vital role in making decisions of all the quality matters. The academic planning and implementation is done in accordance with the quality standards prepared by IQAC. The parent organization of the college always takes care of all the college activities. The Principal of the college takes responsibility of all the day today activities of the college.

The vice Principal, office superintendent, Heads of the department and heads of the different

committees, all have a well defined mechanism for the smooth functioning of the college. There is proper co-ordination in all the authorities of the college in decision making and smooth working.

Decentralization and participative Management.

7.2 Best Practices

7.2.1 Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual

Response:**Best Practice : I****Title- Vidyarthi Dattak Yojana****1. Objectives :**

- To distribute students and their responsibility among the teachers.
- To ensure the regular attendance of the students, their scholarships and other helps they need.
- To check and monitor the activities of the students run by the college.
- To create Socio-economic data of students enrolled in the college.

2. The Context :

As the enrolled students are from socio-economically backward families, their attendance in the college found less. The families of the students have to migrate to some other place in search of work. Most of the students are from such families, where there is impact of superstitions, illiteracy and low income. The main source of their income is agriculture which is totally dependent on nature. Many of the times they face natural calamities. The students have to work in their agriculture land to support their families, sometimes they have to migrate for work, this is one of the chief obstacles in Higher Education.

3. The Practice :

- Preparation of list of students enrolled.
- Distribution of students on the basis of their optional subjects.
- Visit to the houses of students.
- Collection of socio-economic data.
- Record of socio-economic data and submission to the head of *Vidyarthi Dattak Yojana*.

4. Evidence of success :

7.3 Institutional Distinctiveness

7.3.1 Portray the performance of the Institution in one area distinctive to its priority and thrust within 1000 words

Response:

The following is explanation of the performance of the college with distinctiveness as per the thrust and priority given in above point of vision and mission.

Creation of Socio-economic database of the students enrolled in the college.

Gramin (Arts, Commerce and Science) Mahavidyalaya, Vasantnagar is established in 1991, by the parent organization ‘Vimukta Jati Seva Samittee’ Vasantnagar, by the two visionary brothers Karmaveer Kishanrao Rathod and Late Dalitmitra Govindrao Rathod.

The goal of the college is to provide higher education to the socio-economically backward students specially S.C, S.T, N.T, VJNT and OBC students living in the hills and valleys of Balaghat Mountain

ranges to make them responsible citizen of a secular democratic state. In the last thirty years the college is striving to enroll maximum number of students from the reserve category and from economically weaker section

In the Assessment period the enrolled students from socially reserved category is as below

Year	Total Student Admitted	Student Admitted from Social backward category
2017-18	1018	577
2018-19	1024	727
2019-20	923	634
2020-21	789	577
2021-22	811	511
Total	4565	3026
Average		66.28%

The data shows that the average percentage of students from socially- backward category enrolled in the last five years is 66.28%.

The college prepares socio-economic database of all the students enrolled in the college. There is a format prepared to collect data of students. The data consist of :

1. Caste / Category.
2. No. of members in the family.
3. Educational Qualification of all the members in the family.
4. Profession of all the members in the family.
5. Total Income of the family.
6. Land in possession.
7. Type of the land whether irrigated or dry.

The collected data is used by the students Adoption committee to provide welfare measures to the students enrolled. The teachers of the college visit the houses of the students to have better communication between the college and the parents. This collected data helped to provide financial assistance to needy students.

In the last thirty years the college has created fame as a friendly institute in the geographic region for the socio-economically backward students.

The Gram Abhiyan, Parent-Teacher Meet, Vidhyarthi Dattak Yojana, financial help to weaker students, remedial coaching, friendly environment for Socio-economically weaker students, devoted and committed teachers, co-operative non-teaching staff, and rich library and well equipped laboratories are some of the factors showing the distinctiveness of the college.

Gram Abhiyan

The Activity of Gram Abhiyan, makes the college distinct from other colleges. The college is established in a remote, rural location away from the town. Students enrolled in the college are from villages in the geographical vicinity of the college. The educational backwardness, scarcity of financial resources, poverty has a tight impact on the psyche of people. They need counseling to enroll their wards to higher education. Every year, after declaration of HSC results we organize visits to the villages to meet parents of twelfth pass students. The teachers in group makes them aware of the importance of higher education, the scope and opportunities after higher education etc. It helps the college to enroll more students from socio-economically weaker section.

The Gram Abhiyan, for the second time, in the first half Academic year, helps to appear students in more numbers in the classroom. We request the parents not to accompany them in the agricultural farms of own, working as landless laborers and Sugarcane cutting. The Gram Abhiyan resulted fruitful to reduce the dropout percentage and to increase appearance of more students in the college, to improve their university examination results etc.

College received following awards-

1. University best teacher award (Prof. R. D. Badne).
2. University best non-teaching employee award (V. R. Bhalerao).
3. Best examination centre award.

During the assessment period the college has welcomed the birth of girl child in all the hospitals in Mukhed by offering gifts.

The college has provided facility of drinking water during summer, specially for the monkeys on college roof and drinking water facility for birds in the garden by hanging earthen pots to trees.
